60 Minute Charcoal and Wash Self-Portraits

Susanna Coffey
Self-Portrait (vermont, silver, red), 1996
mixed media on handmade paper
8 1/2 x 6 3/4 inches

Complete a self-portrait in charcoal and wash in one sitting from observation in no more than 60 minutes. Complete your compositions with specific attention to positive and negative space. Arrange your pose with attention to subtlety and expression. Avoid the obvious and typical pose. Use an acrylic or shellac wash for figure and/or background. We will pursue this subject matter for one week in and out class. Our goal is to have a minimum of six completed drawings in this time.
