

Bonus

Name:

Grade:

You must complete 5 drawings a week. They are due the next week after they have been assigned.

I DO NOT TAKE LATE WORK. You can find your drawing assignments here

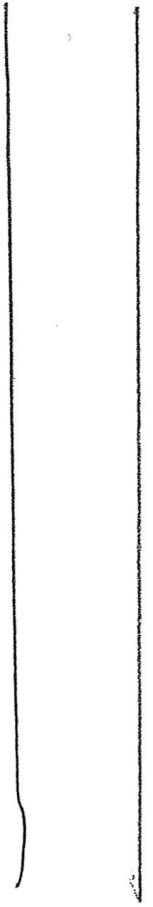

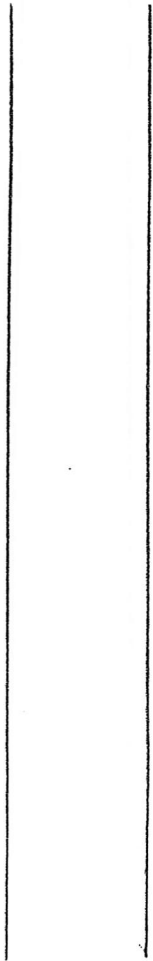

<http://artanglim.weebly.com/7th-8th-grade.html>

Your drawings are due on _____ or _____

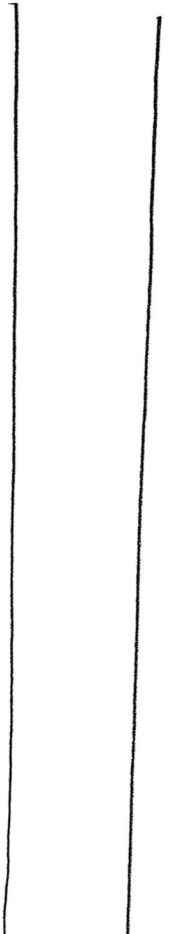

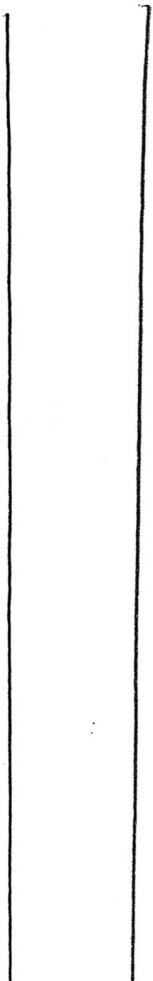

Rubric: 75 % based on effort of drawing and 25%based on if you answered in a complete sentence

Each drawing is worth 20 points and there is a bonus section

You are to complete Thumbnail drawings : What are thumbnail sketches?... Quite simply they're quick drawings of an idea....While they're called thumbnail sketches it doesn't necessarily mean they have to...be the size of a thumbnail or even small for that matter.... More accurately the term thumbnail describes...a quick sketch whose sole purpose...is roughing out an idea of what the final design might look like.... Might look like is the key here as a thumbnail sketch also... serves as a chance to experiment or create a prototype of an idea.
