

# 34 The zodiac

There are dozens of different ways of interpreting the twelve signs of the zodiac. Look at the different interpretations that illustrators give these symbols in

magazines, books, and newspapers. Create your own zodiac sign using the symbols below as a reference.

	Aries	Taurus	Gemini	Cancer	Leo	Virgo	Libra	Scorpio	Sagittarius	Capricorn	Aquarius	Pisces

These two versions of Sagittarius (above and right) and Pisces (far right) show you how to create your own astrological piece of art. Use either collage with a painted background or black waterproof

ink painted in with a fat line brush and several watercolor washes. Research a sign's associated character traits or birthstone for an added dimension.
